

## KNOTWOOD

### 1. PRODUCT NAME

**KNOTWOOD™**  
Batten System

### 2. MANUFACTURER

Knotwood USA  
1010 N 47th ave  
Phoenix Az

Knotwood™ Battens are made from 100% aluminum protected by a durable powder coat finish. They're immune to fire, rust, rot, insects and will never warp, split or crack. Even extreme heat or freezing cold can't damage Knotwood. Sublimated in Knotwood's award winning woodgrain finish or custom solid color coated, it meets the highest finishing standards in the world.

Knotwood's unique hidden fastener system creates a clean finish. The interlocking system makes Knotwood™ Battens a smart choice when water penetration is a concern. In addition, Knotwood™ Battens require next to no maintenance.

Sizes:  
Battens are available in range of sizes from 1" x 2" up to 10" x 2" and even larger with the batten joiner.

Colors:  
A wide variety of over 30 woodgrain

Material/Paint & Coatings Data:

- 100% Recyclable
- VOC-free coatings
- Lead free finishes
- LEED Certified Green Building Material

Non-Combustible Ratings:

- ASTM E84
- ASTM E84-17
- Class A Rating

### 5. INSTALLATION

Knotwood's ingenious batten click together system is a 2 part system designed for superior aesthetics. Knotwood™ does not rely on small clips to hold the battens either, it runs the whole length for easy attachment and strength.

### 6. AVAILABILITY & COST

#### Availability:

Batten systems are available through Knotwood™ distributors. A complete line of related Knotwood™ systems are available to complete any batten system. In addition, custom color matching is available.

### WARRANTY (Continued)

The warranty provides for a 15-year warranty for the Knotwood™ finish, including checking/cracking, chalking, color change, gloss retention and adhesion of finish.

**The full warranty details are provided at [www.knotwood.com/warranty](http://www.knotwood.com/warranty)**

### 8. MAINTENANCE

Our products are designed to be effortless and low maintenance. Wash the surface with a mild solution of pure soap or mild non-abrasive kitchen detergent in warm water. Application should be with a sponge, soft cloth or soft bristle nylon brush, and should be gentle to prevent shiny spots. If cared for in this way, your Knotwood™ application should give many years of easy maintenance life.
